

## Progress Report

**Name:** Habib Zreik  
**Course:** Classification Methods with Machine Learning  
**Progress:** **100%** complete (as of 7 June 2025)

### Chapters

1. Introduction **100%**
2. k-Nearest Neighbor Classification **100%**
3. Classification Trees **100%**
4. Naive Bayes Classification **100%**
5. Discriminant Analysis **100%**
6. Support Vector Machine Models **100%**
7. Ensemble Learning **100%**
8. Classification with Neural Networks **100%**
9. Conclusion **100%**
