

5 Courses

**xDesign Foundations:
Sketching and Extrusion**

**xDesign Advanced Sketching
and Reference Geometry**

**xDesign Revolution and Cut
Features**

**xDesign Feature Patterns
and Sweeps**

**xDesign Assemblies and
Exam Level Part Modeling**

Aug 30, 2025

Habib Zreik

has successfully completed the online, non-credit Specialization

SOLIDWORKS xDesign for Education

In this Specialization, learners developed and honed essential skills for today's dynamic workforce, including 3D modeling, sketching, feature application, pattern creation, and assembly design using SOLIDWORKS xDesign. Through hands-on projects, they gained practical experience in solving real-world CAD challenges, preparing them for industry applications.

SOLIDWORKS

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
