Progress Report

Name: Habib Zreik

Course: Cluster Analysis with Machine Learning

Progress: **100%** complete (as of 8 June 2025)

Chapters

1. Introduction   **100%**
2. Low Dimensional Visualization   **100%**
3. k-Means Clustering   **100%**
4. Visualize Observations in Clusters   **100%**
5. Hierarchical Clustering   **100%**
6. Gaussian Mixture Models   **100%**
7. Cluster Evaluation   **100%**
8. Conclusion   **100%**
